

Essential Ultrabright | K-38023-DLM

22" x 34" rectangular lighted framed mirror

Features

- Unique LED design directs light to the user to provide 3x brighter task lighting than standard lighted mirrors
- Optical design ensures consistent lighting with no hot spots or dark spots.
- Brightness adjustable from 10 – 1500 lumens to provide optimally bright bathroom vanity lighting for applying makeup, shaving, and helping you look good
- 3500 Kelvin light appearance delivers a neutral white light ideal for overall bathroom aesthetics as well as tasks
- Minimum 90 CRI (color rendering index) lets you see yourself in the truest light for makeup application, grooming, and skin care
- Integrated LED bulbs have an estimated life expectancy of 59,000 hours
- Compatible with standard light switches, with programmable recall setting to return to preferred brightness when switched on
- Brightness control allows for four settings to be adjusted at the mirror with external switch (10, 250, 500, 800 lux)
- Plugs into wall outlet or can be hardwired
- Not compatible with dimmer switches
- Can be mounted vertically or horizontally
- Defogging feature ensures reflection visibility – even in high humidity
