

Features

- Includes valve trim with handle, bath spout, shower arm and flange, and showerhead
- A single handle controls both on/off activation and temperature setting
- Integrated push-button diverter
- Optimal water coverage provided by large showerhead diameter
- MasterClean™ sprayface features an easy-to-clean surface that withstands mineral buildup and maximizes spray performance
- Coordinates with Loure faucets, accessories, and showering components to complete your bathroom
- Pressure-balancing diaphragm technology maintains outlet temperature within $\pm 3^{\circ}\text{F}$ during water pressure fluctuations
- Ease of installation with slip-fit connection

Material

- Premium material construction with metal handle ensures reliability and durability
- KOHLER finishes resist corrosion and tarnishing

Installation

- Trim only; requires valve to complete installation (sold separately)
